## PRODUCT OVERVIEW

### High efficient SPL midwoofer

With the GZCK 200XSPL-II, Ground Zero expands its Competition Series with a highly efficient 200 mm / 8" kickwoofer, specifically developed for high-output front systems and SPL-oriented applications.

The speaker stands out thanks to its high efficiency, robust construction and a tuning that remains controlled and assertive even at elevated volume levels. This makes the GZCK 200XSPL-II an ideal choice for powerful vehicle concepts, competition vehicles, and customers with a clear focus on maximum sound pressure levels.
